Anh Pham Tuan

Fullstack web developer
Ho Chi Minh City, Vietnam

Summary

I'm a developer with 8+ years of experience building scalable web apps. Proven leader with a strong background in building scalable web applications and managing development teams.

Experience

WicWac Inc.

Technical Lead

September 2020 - Present (3 years 10 months)

Ottawa, Ontario, Canada

- Initiated and conceptualized the idea for a services marketplace application, identifying key market needs and user requirements.
- Led the development of both a web application and a mobile application, ensuring a seamless and consistent user experience across platforms.
- Architected a scalable and secure platform, leveraging technologies such as AWS Lambda, API Gateway, AWS Cloudfront

idea box Pty Ltd

3 years 4 months

Technical Lead

January 2019 - September 2020 (1 year 9 months)

Melbourne, Australia

- Lead and manage technical projects, ensuring timely delivery and adherence to quality standards, while coordinating with cross-functional teams and clients.
- Provide technical expertise and mentorship to the development team, fostering skill development and ensuring best practices are followed.
- Oversee code reviews, testing processes, and quality assurance to maintain high standards of code quality and project deliverables.

Senior Web Developer

June 2017 - December 2018 (1 year 7 months)

Melbourne, Australia

- Develop and maintain various backend services, including those built with ExpressJS, Ruby on Rails, and Laravel.

- Collaborate with frontend and mobile app developers to ensure seamless integration and functionality across platforms.
- Oversee server management and DevOps processes to ensure optimal performance, security, and reliability.

iHands Co., Ltd.

Co-Founder and Web Product Manager

March 2011 - March 2015 (4 years 1 month)

Ho Chi Minh City, Vietnam

- Co-founded and managed a product company specializing in building plugins and themes for SocialEngine.
- Developed and maintained high-quality web products, contributing to the company's recognition as the second leading third-party provider for SocialEngine.
- Led the product development lifecycle, from ideation and design to deployment and support, ensuring customer satisfaction and product excellence.
